Mohawk Trail Regional School **2022-2023 School Year:**

Middle School Teacher - STEM and Numeracy Support 1.0 FTE

Unit A Positions: Start date January 17, 2023

These positions have been created in response to student need for increased academic support and extensions, to better implement a tiered academic model coming out of hybrid and remote learning 2019-22.

ROLE OVERVIEW / KEY RESPONSIBILITIES

Responsibilities include teaching STEM-focused exploratory courses, planning differentiated tier 2 lessons to support math skills during WIN (What I Need) intervention/extension block, direct services to students in need of intervention, and pushing into a section of middle school STEM to support literacy or numeracy in the discipline. The teachers will also be responsible for leading the collection and analysis of data, collaborating with the middle school teams to group students for interventions and extensions, and providing resources to support competency in the disciplines.

CANDIDATE REQUIREMENTS:

- Current MTRS Middle School Teacher of Math and or STEM/ Science
- STEM Licensure
- Flexibility
- Sharp focus on student academic needs
- Ability to multitask, stay organized, communicate effectively
- Strong collaboration skills
- Willingness to attend professional development and work closely with math coach and director of curriculum
